

EVIDENCE-BACKED ADVANCED CREDENTIALING

Medical Faculty, Teaching & Research Credentialing Report

Faculty experience, teaching, publications, projects and evidence-readiness

OVERALL RESULT	QUALITY REVIEWED
EVIDENCE READY WITH CLARIFICATIONS	No material discrepancy identified in the approved sample scope.

DOCTOR / FACULTY	HYRDOC ID	INSTITUTION	REPORT DATE
Dr. Meera Krishnan	HYD-SAMPLE- MED-001	Sunrise Medical College	29 Jul 2026

Sample purpose: This fictional report demonstrates the same section structure, evidence statuses, source recording, governance decisions and integrity controls used by the live HYRDOC credentialing report engine. Live reports contain only lawfully obtained and reviewed evidence within the purchased and consented scope.

01. Professional identity, registration and qualifications

Check	Claim	Source-confirmed result	Outcome
Identity	Dr. Meera Krishnan; DOB 19 Feb 1982	Matched across consented records	Verified
Registration	SAMPLE-KMC-778899	Active permanent registration	Verified
MBBS	Western Coast Medical University, 2005	Award and year confirmed	Verified

Teaching-load sample: 6 lecture hours, 8 clinical teaching hours and 2 academic-session hours per week during the reviewed term.

03. Publication register and bibliographic verification

Publication	Authorship / affiliation	Bibliographic check	Finding
Hypertension outcomes in tertiary care - fictional sample	Second author; Sunrise affiliation	Sample DOI and journal record matched	Verified
Clinical predictors in diabetic nephropathy - fictional sample	First and corresponding author	Sample PMID record matched	Verified
Point-of-care ultrasound in acute medicine - fictional sample	Fourth author	Article exists; affiliation abbreviated	Verified with clarification
Community screening model - fictional sample	Co-author	Acceptance letter only; publication pending	Not yet published
Medical education simulation study - fictional sample	First author	Journal issue and DOI matched	Verified

The sample does not rate publication quality merely because a DOI exists. Authorship, article existence, indexing claim and retraction/correction status are recorded separately.

04. Research projects, ethics and trial evidence

Project	Doctor role	Official evidence	Current status
Resistant hypertension registry - fictional	Principal Investigator	Research Cell order; sample IEC approval; sample registry entry	Ongoing - verified
Diabetes adherence intervention - fictional	Co-Investigator	Sanction letter and PI confirmation	Completed - verified
Simulation-based teaching project - fictional	Faculty lead	MEU project order and progress report	Ongoing - institutionally attested
Governance item	Sample reference	Outcome	
Institutional Ethics Committee	SAMPLE-IEC/2025/041	Approval reference verified	
Trial registry	SAMPLE-CTRI-2025-000111 - fictional	Registry entry matched for demonstration	
Grant	Sample Health Research Council; INR 8,00,000	Sanction and investigator role verified
